

TRANQUILITY SLIDE IN BATH

The Tranquility is internally spacious with an exceptional 800mm wide entrance. With the seat well exposed simply sit down from outside the bath and slide in.

A ramped seat 545 mm high from the bathroom floor allows for unrestricted transfer from a wheelchair.

The door is shut effortlessly by a lever handle and a concealed catch bolt. Ideal for arthritic hands.

Built with extraordinary strength and rigidity.

The bathtub is manufactured in Sanitary Acrylic and Gel Coat reinforced to a high specification to resist mould, stains and wear spots.

The bath is cradled within a robust stainless steel framework. Uniquely, the Door and Jamb is manufactured in Aluminium to ensure perfect water sealing.

Free standing and partly assembled for faster installation.

TRANQUILITY SLIDE IN BATH

Relax Revive & Rejuvenate

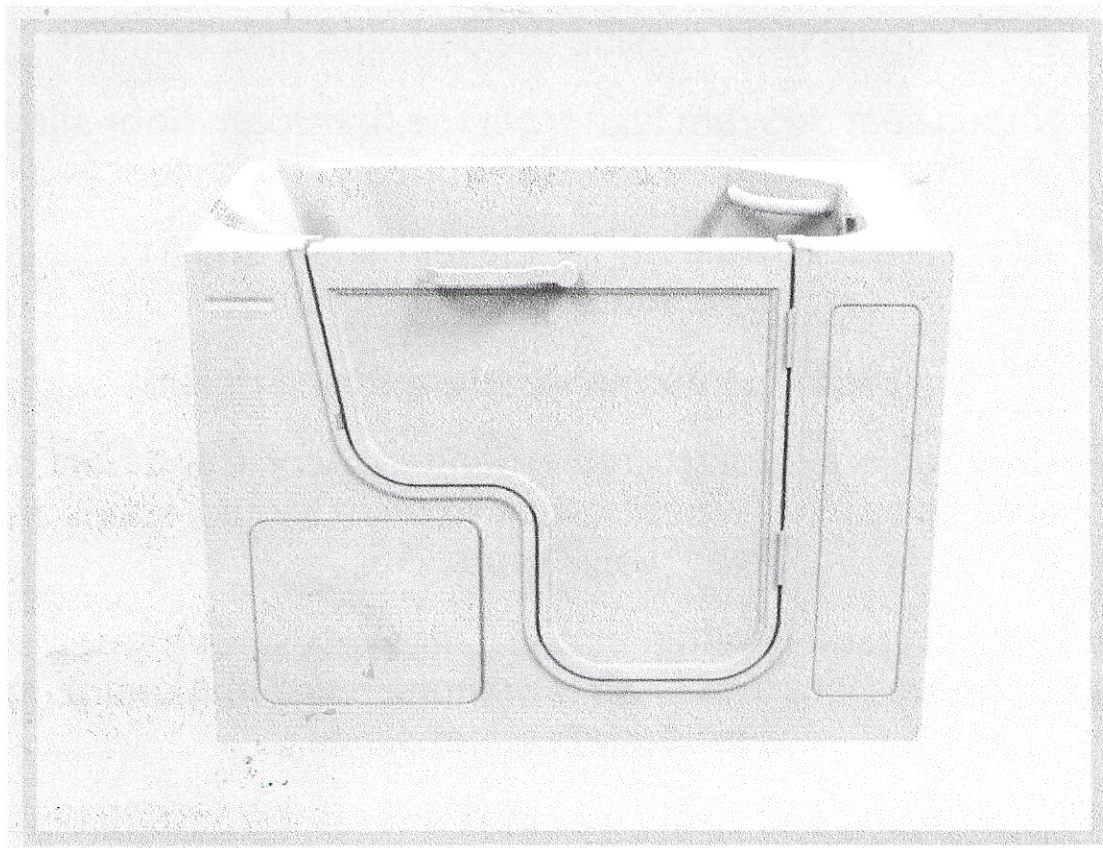

The result of two years of research and development.

The new and stylish Tranquility is probably the most advanced Walk-In-Deep Soak bath on the market.

Offers safe & unparalleled Ease of Entry and Exit

Has an extra wide door and a lower-step-in threshold.
Generously sized ramped seat allows slide-in transfer -
without the need to step into the bath first.

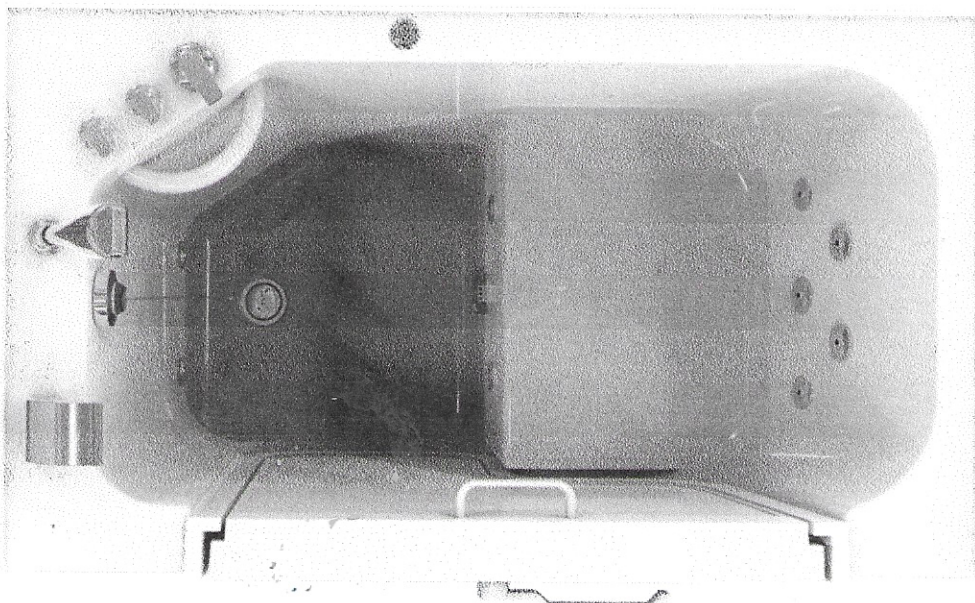

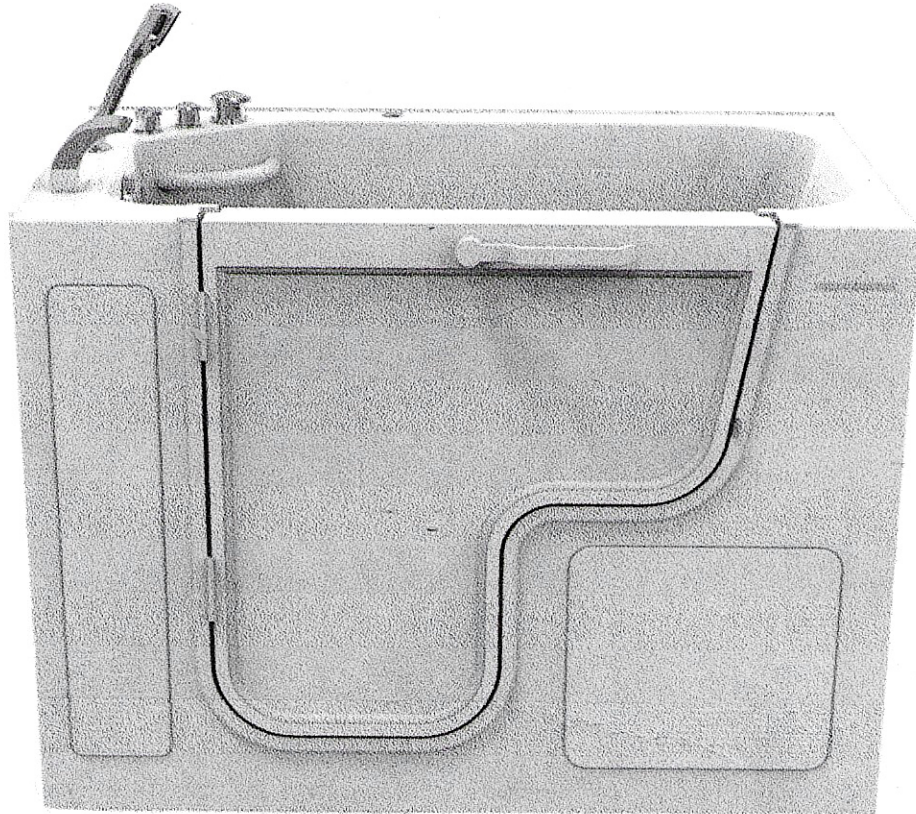

Carefully designed with attention to detail. Precision
engineered and manufactured to an
exceptional standard.
